CIVIL ACTION NO. H-17-1232

ORDER RESETTling INITIAL CONFERENCE

The plaintiffs in this case have not yet moved for collective action certification. On November 17, 2017 at 2:30 p.m., argument on the motion for collective action certification will be held in the related case, *Calderon v. Nabors Drilling Technologies USA Inc.* et al., 4:14-cv-00710. Because the cases potentially overlap, the initial conference for this case is reset for **November 17, 2017 at 2:30 p.m.** The plaintiffs in this case must file their motion for collective action certification and issuance of notice by **October 27, 2017**. The defendants must respond by **November 13, 2017**. On November 17, 2017, the parties may argue the motions and discuss the relationship of this case to *Calderon*.

SIGNED on October 6, 2017, at Houston, Texas.
